DETAILED ACTION

The Amendment, filed on June 24, 2004 has been entered and overcomes the rejection of claims 1-9, under 35 U.S.C. § 103(a).

Allowable Subject Matter

Claims 1-9 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 9, the references of the Prior Art of record fails to teach or suggest the circular fluorescent lamp with the combination of the limitations as set forth in claims 1 and 9, and specifically comprising the limitation of the insulator between the conductive wires of at least one pair and adhered on the sealing portion of one of the stems at a point outside the light-transmitting circular tube.

Regarding claims 2-8, claims 2-8 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
